

## **EVALUATION AND DIAGNOSTICS SWG**

Jae Edmonds, Elmar Kriegler & John  
Weyant, Co-chairs

07 December 2017

# The E&D SWG Charter

*The SWG on Evaluation and Diagnostics exists to foster activities that help describe, document and understand the performance of integrated assessment models so as to improve model performance and reliability and to make recommendations in the areas of priorities for community activities and standards of best practice.*

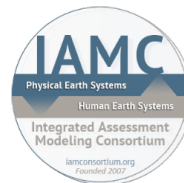

# Two E&D Activities In the Community Concluded in 2017

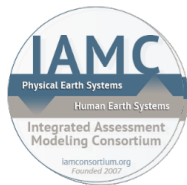

**Advanced Model Development  
and Validation for the Improved  
Analysis of Costs and Impacts  
of Mitigation Policies**

## PIAMDDI

# Today's E&D SWG Breakout Group

- Continuing work with GCAM: Food Demand Hindcast
- Shinichiro Fujimori
- Discussion of new work—a proposed examination of how we validate our models

# Discussion
